We are happy to introduce ourselves with you again, and to tell you about all the activities that have been happening in May 2011.

The following is a discussion of the major works undertaken during the reporting period and the plan for the next month.

**a. THE NEW INITIATIVES/ACTIVITIES:**

**1. Churamankati Visit:** Some of influential members of the community harassing and keep pressuring tuition teacher and community motivator to include the rich family's children in distribution programme. They are asking why not all community children shall cover by the project and why they did not receive the materials etc.

Tuition Teacher and Community Motivator tried to convince them by telling that our project goal is to support only children from the poor families, we are not able to include students from out of criteria.

However, they continuously giving physical and mental threat to staffs so, 5 April Project Co-ordinator Shourove, Monitoring Officer Mr. Anowar and Mr. Anis went to the village and sit together with all community members to identify the problem and resolve it.

More than an hour successful motivational meeting, people understood the project mission, vision and goals. After the meeting they all together promise to support the project and offer a land for the tuition programme place. We found very much lack of Community Motivator to giving proper information, communication and guidance to the community members.

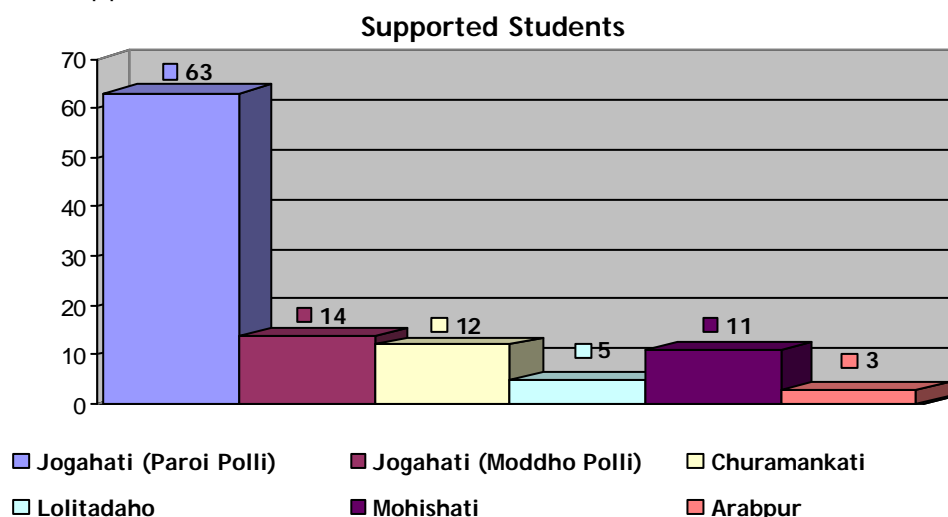

**2. Recruitment:** According the project area extension and fill up the recently vacant position, we recruited the personnel in following positions;

**a) Tuition Teacher:** We call for application for the six-tuition teacher post, 2 teacher for Jogahati, 1 teacher for Churamankati, 1 teacher for Lolitadaho, 1 teacher for Mohishati and 1 teacher for Sorupdaho village. For the Jogahati 1 teacher was required but due to marriage of Teacher Rexona, she quite from her works so, we recruited two teachers for Jogahati village tuition programme. It is always very difficult to find part time tuition teacher from the surrounding community because of early marriage and drop out from the education. Finally, we able to recruit 3 fresh and young girls for the tuition programme. We very much hopeful for their best effort to educating the children and also look forward for the other 3 vacant position.

**b) Community Motivator:** For the personal reason community motivator Nazmul has resigned from his job. We shall recruit new personnel in replacement of Nazmul. Until 30<sup>th</sup> June, Nazmul will take part in the project and the meanwhile handover the responsibility.

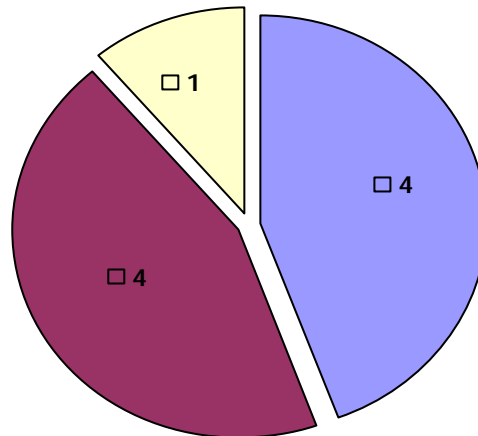

**3. Project Survey:** During this month, we made little survey to get information about project supported students area based data. The report in graph are followings;
