We are happy to introduce ourselves with you again, and to tell you about all the activities that have been happening in November 2013.

The following is a discussion of the major works undertaken during the reporting period and the plan for the next month.

#### **a. THE NEW INITIATIVES/ACTIVITIES**

- 1. Final Exam:** Our students and teachers are ready for the year-end final examination. During the month, the exam will be held in all schools. We expect a 100% pass result.
- 2. House Construction:** The house construction for the Jogahati families has been completed. In addition, old broken houses have been repaired with new sanitary latrines. From the BS-IDEA Project this year we completed 4 new houses construction with sanitary latrines and 3 old houses repaired with sanitary latrines. The families are very happy and grateful to IDEA.
- 3. Medical Camp, Medicine Distribution & Medical Assistance:** According to the Medical Survey report, during the month, we conducted a medical camp in 5 communities. Total 276 community members were visited by a doctor during the camp. Among patients, largely found irregular cough, stomach pain, back pain, body pain etc. problems. We provided medicine to 276 community people and children, according to the prescription. The doctor found 2 children who need advanced medical assistance, one boy suffering from hernia and another child suffering from a strong cough. We took both children to Jessore Govt. Medical Hospital for further specialised treatment and medical tests. One child was prescribed for operation, another child for advanced medication. After the final exam of Sonnasi (BS0067) we will take him for operation and after the medical test Amol (BS0167) was found no problem and received medicine for cough. The medical camp was very successful and this support gives the opportunity to poor people to have proper medical support.
- 4. Cow Distribution:** To increase the family income during this month we distributed 14 cows to the 14 families. The interesting thing is in the cow market family members went together and selected the cow according to our budget allocation. We provided 3 months of cattle feeds to the families. These cows support will improve their livelihoods and accelerate the family income gradually to cover the family nutrition needs.
