We are happy to introduce ourselves with you again, and to tell you about all the activities that have been happening in November 2016.

The following is a discussion of the major works undertaken during the reporting period and the plan for the next month.

a. THE NEW INITIATIVES/ACTIVITIES

- 1. Medical Camp:** According to the Medical Survey report, during the month, we conducted a medical camp in 5 communities. Total 268 community students, parents and community people visited by a doctor during the camp. The visited patients mostly suffered from Body Weakness, Irregular Cough, Back Pain, Body Pain etc. problems. According to the doctor's prescription, we provided medicine to 254 community people and children. The medical camp was very successful and this support gives the opportunity to poor people to have proper medical attention.
- 2. Prevent Early Marriage:** During the month, parents of Bristy (BS0094) wanted to give her a marriage because they found a suitable man! She is only 14! The family knew that if we knew then we would interfere to stop the marriage, for that reason in the middle of the night they tried to arrange a marriage ceremony. However, the neighbours and the students informed us about this secret programme. Immediately we went to the house with police and strict notice if they tried to give a marriage the parents will be arrested and sent to jail. Therefore, now Bristy's marriage has stopped and she continued her study. We put extra eyes to prevent the early marriage at the community. As you know, in the world Bangladesh, India, Nepal has a high number of early marriages happening every year due to poverty, social injustice and superstitions. Education helping communities coming out from poverty, removing superstitions and giving social justice. We thank you for giving the light of education for a sustainable livelihood. We shall overcome...
