We are happy to introduce ourselves with you again, and to tell you about all the activities that have been happening in August 2011.

The following is a discussion of the major works undertaken during the reporting period and the plan for the next month.

a. THE NEW INITIATIVES/ACTIVITIES

1. **Medical Support:** BS009 Palash one of the adopted student from the Jogahati village. Now he is 13 years old. He was suffering Hernia problems. Due to the Hernia problem, he could not play with his friends and often get pain. During this month, we took initiative to operate him. Along with our Community Motivator, he and his parents visited Jessore General Hospital Specialist Doctor. The physician prescribed for blood and other medical examinations. After the report physician, suggest for the operation. Therefore, we admit him at hospital and last 21st August he had successful operation. After a week at Hospital he back at home fully cured.

Palash and his family very happy and grateful to the BS & IDEA Team for this precious medical support. During the operation and after the operation he received all the medical and nutrition food support. Until he starts to go back school, Education for All project will provide necessary extensive support to Palash.
