We are pleased to update you on our activities in **July 2023**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

a. THE NEW INITIATIVES/ACTIVITES

1. **Churamankati New Study Centre:** In our previous report, we informed you that our Churamankati study centre need to relocate because the landowner plans to use the land for other purposes. In response, IDEA Onlus co-founders Maria and Gabriele provided financial support to relocate the study centre. A family in Churamankati village donated their empty land for the construction of a new study centre. We rebuilt the study centre in its new location, with partial labour support from the community, including men, women, and children. Big thanks to Maria and Gabriele for the generous collaboration.

2. **Laptop Computer Distribution:** Boishakhi (BS099) was recently gifted a laptop computer by her sponsor parents, Maria and Gabriele. The laptop will help Boishakhi with her studies, and she is incredibly grateful for the support. She has been sponsored by Maria and Gabriele since she was in the second grade, and she credits them with helping her to get to where she is today. Without their support, she would not have been able to continue her education. After receive the gift Boishakhi expressed her gratitude to Maria and Gabriele. She tell, "I am so grateful for the laptop. It will be a great help to me with my studies. I would not be where I am today without Maria and Gabriele support. Thank you for believing in me."

b. THE ROUTINE ACTIVITIES IMPLEMENTED

The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
