We are pleased to update you on our activities in **September 2023**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

**a. THE NEW INITIATIVES/ACTIVITIES**

1. **Art Competition:** We conducted an art competition in five villages, with 160 sponsored and non-sponsored students participating. As usual, the best drawings will be selected for our 2023 Christmas greetings cards, and each drawing will be sent to the student's adoptive parents as a gift.

**b. THE ROUTINE ACTIVITIES IMPLEMENTED**

1. **Guardians' Meetings:** During this month, we held 6 guardian meetings in Jogahati, Churamankati, Mohishati, and Sorupdaho villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
2. **Community Visits:** During this month, the Community Motivator visited Jogahati village 7 times, Churamankati village 9 times, Mohishati village 4 times, and Sorupdaho village 4 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
3. **Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 184 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
4. **Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **23 days** of tuition classes were conducted at 4 study centers. The monthly data is as follows:
