b. THE ROUTINE ACTIVITIES IMPLEMENTED

- Guardians' Meetings:** During this month, we held 4 guardian meetings in Jogahati, Churamankati, and Sorupdaho villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
- Community Visits:** During this month, the Community Motivator visited Jogahati village 7 times, Churamankati village 8 times, and Sorupdaho village 3 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.

The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.

These materials were provided to a combined total of 98 students, both sponsored and non-sponsored. By equipping these students with essential stationery items, we aim to enhance their learning experiences and facilitate their academic progress.
- b) **Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 75 pieces of washing soap. These hygiene products were given to a total of 75 students, including both sponsored students and those attending our preschool program. By providing essential items like body soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
