We are pleased to update you on our activities in **March 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

**a. THE NEW INITIATIVES/ACTIVITES**

**1. Relocation of the Sorupdaho Tuition School:**

The Sorupdaho Tuition School has recently undergone a significant transition due to a change in land ownership. The original landowner, who had generously allowed the use of his land for many years, needed the space back to extend his home. As a result, he respectfully requested the relocation of the tuition school.

Faced with the possibility of losing this vital educational resource, the community quickly came together to find a solution. Another kind-hearted villager stepped forward and offered a new plot of land. In a wonderful show of unity and dedication, the villagers worked hand in hand to carefully dismantle and relocate the tuition school structure to the new site.

This collective effort clearly reflects the value the community places on education. Despite having only 2 sponsored children and 22 non-sponsored children, the villagers are determined to keep the tuition school running. They recognize the critical role it plays in keeping children engaged in education — especially in a rural setting where dropout rates can be high.

The tuition teacher continues to provide not just academic support, but also encouragement and motivation, which is essential for children from low-income families. Without this tuition center, many of these children would likely be forced to leave school.

## b. THE ROUTINE ACTIVITIES IMPLEMENTED

- Guardians' Meetings:** During this month, we held 3 guardian meetings in Jogahati, Churamankati, and Sorupdaho villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
- Community Visits:** During this month, the Community Motivator visited Jogahati village 10 times, Churamankati village 9 times, and Sorupdaho village 2 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
- Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 140 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
- Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **23 days** of tuition classes were conducted at 4 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	JOGAHATI Tuition Programme	3	41	30
2	CHURAMANKATI Tuition Programme	1	6	19
3	MOHISHATI Tuition Programme	1	3	0
4	SORUPDAHO Tuition Programme	1	2	22
5	JOGAHATI PRE-SCHOOL Programme	1	0	17
	<b>Total:</b>	<b>7</b>	<b>52</b>	<b>88</b>

- Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

- **School Attendance by Graph:**

7. **Distribution Programme:** We distributed materials in Jogahati, Sorupdaho and Churamankati from the 19<sup>th</sup> & the 20<sup>th</sup> of March. All students received the materials. Below are the details:

- Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 11 days and served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 21 kids.
- Education Materials:** In order to support the educational endeavours of students in various classes, we distributed a total of 158 copybooks and 75 pens. These materials were provided to a combined total of 75 students, both sponsored and non-sponsored. By equipping these students with essential stationery items, we aim to enhance their learning experiences and facilitate their academic progress.
- Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 72 pieces of body soap. These hygiene products were given to a total of 72 students, including both sponsored students and those attending our preschool program. By providing essential items like body soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
- Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia

Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Shoma Rani Pal, Ms. Shopna Khatun, and Ms. Sabina Khatun actively participated in the events.

**c. ACTIVITIES PLANNED FOR April 2025**

*In addition to the project's regular activities, the following initiatives are planned for the upcoming month:*

- 1. Materials Distribution:** We plan to hold the next distribution program between the 15th and 20th of April across all 3 communities.
