We are pleased to update you on our activities in **April 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

a. THE NEW INITIATIVES/ACTIVITES

1. School Dress Distribution for Robi (BS246)

Robi, a bright and determined student from Jogahati village, lives with his grandparents after being abandoned by his parents at a young age. His mother left when he was just 1.5 years old, and his father remarried and moved away, leaving Robi in the care of his elderly grandparents. With no siblings, Robi has grown up under their loving guidance.

Since his pre-school days, the **BS IDEA project** has supported Robi's education, and he is now a diligent Class V student at the local government primary school. He attends both school and tuition classes with great enthusiasm. His grandfather is no longer able to work, so his grandmother sustains the family by working as a day laborer. Despite the challenges, she remains deeply committed to ensuring Robi's education and well-being, hoping he will grow into a self-sufficient individual with a better future.

Robi shares his grandmother's determination—he dreams of securing a good job through education. In his free time, he enjoys playing football and catching fish. Recently, he faced difficulties attending school without a proper uniform. Recognizing the urgency, we promptly provided him with a new school dress. Now, Robi attends school with pride and happiness, ready to continue his journey toward a brighter tomorrow.

This support not only meets an immediate need but also reinforces his confidence and commitment to education.

b. THE ROUTINE ACTIVITIES IMPLEMENTED

- Guardians' Meetings:** During this month, we held 3 guardian meetings in Jogahati, Churamankati, and Sorupdaho villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
- Community Visits:** During this month, the Community Motivator visited Jogahati village 8 times, Churamankati village 6 times, and Sorupdaho village 2 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
- Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 140 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
- Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **22 days** of tuition classes were conducted at 4 study centers. The monthly data is as follows:

| SL | Location / Community | Number of Teachers | Number of Sponsored Students | Number of Non-Sponsored Students |
|----|--------------------------------|--------------------|------------------------------|----------------------------------|
| 1 | JOGAHATI Tuition Programme | 3 | 41 | 30 |
| 2 | CHURAMANKATI Tuition Programme | 1 | 6 | 19 |
| 3 | MOHISHATI Tuition Programme | 1 | 3 | 0 |
| 4 | SORUPDAHO Tuition Programme | 1 | 2 | 22 |
| 5 | JOGAHATI PRE-SCHOOL Programme | 1 | 0 | 17 |
| | Total: | 7 | 52 | 88 |

- Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

- **School Attendance by Graph:**

7. Distribution Programme: We distributed materials in Jogahati, Sorupdaho and Churamankati from the 22nd & the 23rd of April. All students received the materials. Below are the details:

- Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 10 days and served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 21 kids.
- Education Materials:** In order to support the educational endeavours of students in various classes, we distributed a total of 160 copybooks and 74 pens. These materials were provided to a combined total of 74 students, both sponsored and non-sponsored. By equipping these students with essential stationery items, we aim to enhance their learning experiences and facilitate their academic progress.
- School Dress:** Student Robi (BS0246) received a set of school dress.
- Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 72 pieces of laundry soap. These hygiene products were given to a total of 72 students, including both sponsored students and those attending our preschool program. By providing essential items like laundry soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
- Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator

Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Shoma Rani Pal, Ms. Shopna Khatun, and Ms. Sabina Khatun actively participated in the events.

c. ACTIVITIES PLANNED FOR May 2025

In addition to the project's regular activities, the following initiatives are planned for the upcoming month:

- 1. Materials Distribution:** We plan to hold the next distribution program between the 15th and 20th of May across all 3 communities.
