We are pleased to update you on our activities in **May 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

a. THE NEW INITIATIVES/ACTIVITES

1. Community Participation in Cultural and Religious Harmony: Contribution to Jogahati Nam Joggo

During the reporting month, BaSE extended its continued support to the annual Nam Joggo ceremony held in Jogahati village—a significant cultural and religious event for the local Hindu community. The Nam Joggo is a traditional religious observance centered around devotional singing (kirtan), prayers, and communal meals. This spiritual gathering fosters not only religious devotion but also strengthens communal ties and intergenerational bonding.

Held over the course of three days, the ceremony draws more than a thousand participants from within the village and surrounding areas, including relatives and friends of the villagers who travel from afar to join in the festivities. The entire village actively participates in organizing the event, contributing either in cash or in-kind donations such as rice to cover the costs associated with food, arrangements, and ceremonial needs.

From the project we contributed BDT 2,000 this year to help support the organizing committee in managing the event. This small yet meaningful contribution aligns with our broader vision of supporting grassroots cultural heritage, social harmony, and the diverse spiritual traditions that enrich the lives of the communities we work with.

b. THE ROUTINE ACTIVITIES IMPLEMENTED

- Guardians' Meetings:** During this month, we held 2 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
- Community Visits:** During this month, the Community Motivator visited Jogahati village 11 times, Churamankati village 10 times, and Sorupdaho village 1 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
- Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 155 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
- Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **22 days** of tuition classes were conducted at 4 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	JOGAHATI Tuition Programme	3	41	30
2	CHURAMANKATI Tuition Programme	1	6	19
3	MOHISHATI Tuition Programme	1	3	0
4	SORUPDAHO Tuition Programme	1	2	22
5	JOGAHATI PRE-SCHOOL Programme	1	0	18
Total:		7	52	89

- Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

- **School Attendance by Graph:**

7. **Distribution Programme:** We distributed materials in Jogahati, Sorupdaho and Churamankati from the 21st & the 25th of June. All students received the materials. Below are the details:

- Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 12 days and served warm khichuri (hotchpotch) for 10 days this month, ensuring daily distribution to 18 kids.
- Education Materials:** In order to support the educational endeavours of students in various classes, we distributed a total of 148 copybooks and 76 pens. These materials were provided to a combined total of 76 students, both sponsored and non-sponsored. By equipping these students with essential stationery items, we aim to enhance their learning experiences and facilitate their academic progress.
- Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 73 pieces of laundry soap. These hygiene products were given to a total of 73 students, including both sponsored students and those attending our preschool program. By providing essential items like laundry soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
- Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia

Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Shoma Rani Pal, Ms. Shopna Khatun, and Ms. Sabina Khatun actively participated in the events.
