We are pleased to update you on our activities in **August 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

**a. THE NEW INITIATIVES/ACTIVITIES**

1. **New Adoption:** We are delighted to share that six new children have been adopted. Our heartfelt thanks go to Roberto Caggiano, and to COESA, for their continued support in covering the education costs of these six students.

**b. THE ROUTINE ACTIVITIES IMPLEMENTED**

1. **Guardians' Meetings:** During this month, we held 2 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
2. **Community Visits:** During this month, the Community Motivator visited Jogahati village 17 times, Churamankati village 14 times, and Sorupdaho village 1 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
3. **Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 116 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
4. **Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this

program, we ensure the students' study progress. During this month, a total of **24 days** of tuition classes were conducted at 4 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	JOGAHATI Tuition Programme	3	46	25
2	CHURAMANKATI Tuition Programme	1	8	17
3	MOHISHATI Tuition Programme	0	3	0
4	SORUPDAHO Tuition Programme	0	2	0
5	JOGAHATI PRE-SCHOOL Programme	1	0	18
	<b>Total:</b>	<b>5</b>	<b>59</b>	<b>60</b>

5. **Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

- **School Attendance by Graph:**

**7. Distribution Programme:** Due to funding constraints, we have been able to continue only a few core supports—daily preschool meals, tuition classes, and student tuition assistance. At the end of August, we finally received new funding, and from September onward we will be resuming all of our activities.

- a) **Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 12 days and served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 18 kids.
- b) **Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- c) **Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 78 pieces of body soap. These hygiene products were given to a total of 78 students, including both sponsored students and those attending our preschool program. By providing essential items like body soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
- d) **Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- e) **Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Akhi Rani & Ms. Nipa Das actively participated in the events.

**c. ACTIVITIES PLANNED FOR September 2025**

*In addition to the project's regular activities, the following initiatives are planned for the upcoming month:*

- 1. Materials Distribution:** We plan to hold the next distribution program between the 15th and 20th of September across all 2 communities.
- 2. Teachers Coordination Meeting:** On the 30<sup>th</sup> September, we have scheduled a teachers' meeting to comprehensively review the activities carried out in previous months. The primary focus of this gathering is to reflect on the successes and challenges of the past months and collaboratively plan for the upcoming months. This meeting aims to foster a productive discussion among the teaching staff to enhance our educational approach and ensure a more successful and impactful year ahead.
