We are pleased to update you on our activities in **October 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

**a. THE NEW INITIATIVES/ACTIVITIES**

1. **Drawing Selection:** For the 2025 Christmas greeting card, BS Executive Director Palash Hubert Gomes has chosen a delightful artwork by Likhon Paroi (BS0251), a 6th-grade student from Jogahati Village. Selected from among 120 participants in our annual drawing competition, Likhon's piece beautifully portrays the charm of traditional Bangladeshi village life. His illustration features a serene pond with a boat and swan, a child floating on a banana raft adorned with lotus flowers, a fisherman casting his net, a mother collecting water, a sweet seller walking along the road, and children joyfully playing and swinging beneath a tree. This heartfelt depiction of rural life makes Likhon's artwork a perfect and meaningful choice for this year's Christmas card.

**b. THE ROUTINE ACTIVITIES IMPLEMENTED**

1. **Guardians' Meetings:** During this month, we held 2 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
2. **Community Visits:** During this month, the Community Motivator visited Jogahati village 16 times, Churamankati village 15 times. To follow up with the students from Sorupdaho and Mohishati, we visited each village once, as our programme activities in these communities had been temporarily paused. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
3. **Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 120 student households during this month. The door-to-

door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.

4. **Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **24 days** of tuition classes were conducted at 2 study centers. The monthly data is as follows:

5. **Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

7. **Distribution Programme:** We distributed materials in Jogahati and Churamankati on 22<sup>nd</sup> & 23<sup>rd</sup> of October. All students received the materials. Below are the details:

- Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 12 days and served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 18 kids.
- Education Materials:** In order to support the educational endeavours of students in various classes, we distributed a total of 188pcs copybooks and 77pcs pens. These materials were provided to a combined total of 77 students, both sponsored and non-sponsored. By equipping these students with essential stationery items, we aim to enhance their learning experiences and facilitate their academic progress.
- Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 74 pieces of laundry soap. These hygiene products were given to a total of 74 students, including both sponsored students and those attending our preschool program. By providing essential items like body soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
- Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia

Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Shoma Rani Pal actively participated in the events.
