We are pleased to update you on our activities in **September 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

a. THE NEW INITIATIVES/ACTIVITIES

1. **Art Competition:** We held an art competition across three villages, with 120 students, both sponsored and non-sponsored, taking part. As in previous years, the best drawings will be chosen for our 2025 Christmas greeting cards, and each student's artwork will be sent as a gift to their adoptive parents.

2. **Education Support:** Remember Binod? In our August 2023 report, we shared his inspiring story. After the donor's support ended, Binod continued his studies with strong self-motivation and our ongoing encouragement.

Thanks to the kind support of Dr. Maria and Mr. Gabriele, he was able to cover his admission costs for the Honours program in Geography — and now, we're proud to share that he has been enrolled to 2nd year of Honor's program.

Binod is the first person from the entire Jogahati village, the first from his "Paroi" community, and the first in his family to reach this academic milestone. We've supported his Honours 2nd year enrolment expenses once again, helping him continue toward his dream of securing a meaningful job in a government or non-government organization.

His journey continues to inspire us all.

b. THE ROUTINE ACTIVITIES IMPLEMENTED

1. **Guardians' Meetings:** During this month, we held 2 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
2. **Community Visits:** During this month, the Community Motivator visited Jogahati village 15 times, Churamankati village 14 times, and Sorupdaho village 1 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
3. **Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 120 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
4. **Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **25 days** of tuition classes were conducted at 4 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	JOGAHATI Tuition Programme	3	46	25
2	CHURAMANKATI Tuition Programme	1	8	17
3	MOHISHATI Tuition Programme	0	3	0

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
5	JOGAHATI PRE-SCHOOL Programme	1	0	18
	Total:	5	59	60

5. Nutrition Programme: Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

7. **Distribution Programme:** We distributed materials in Jogahati, Sorupdaho and Churamankati from the 15th to the 19th of September. All students received the materials. Below are the details:

- a) **Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 12 days and served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 18 kids.
- b) **Education Materials:** In order to support the educational endeavours of students in various classes, we distributed a total of 167 copybooks and 78 pens. These materials were provided to a combined total of 78 students, both sponsored and non-sponsored. By equipping these students with essential stationery items, we aim to enhance their learning experiences and facilitate their academic progress.
- c) **Admission Fees:** We provided Honors 2nd Year admission cost for Binod.
- d) **Drawing Materials:** For the drawing competition, we distributed a total of 120 sheets of art paper, 36 pencils, 12 erasers, 6 sharpeners, and 12 boxes of crayons. These supplies were provided to 120 students, including both sponsored and non-sponsored participants. By providing these drawing materials, we ensured that all students were equipped to participate fully in the competition. The best artworks will be selected for our 2025 Christmas greeting cards, fostering creativity and inclusion across the group.
- e) **Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 71 pieces of body soap. These hygiene products were given to a total of 71 students, including both sponsored students and those attending our preschool program. By providing essential items like body soap, we aim to instill healthy hygiene habits from an early age and create a conducive environment for learning and growth.
- f) **Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- g) **Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- h) **Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Akhi Rani & Ms. Nipa Das actively participated in the events.

c. **ACTIVITIES PLANNED FOR October 2025**

In addition to the project's regular activities, the following initiatives are planned for the upcoming month:

- 1. **Materials Distribution:** We plan to hold the next distribution program between the 15th and 20th of October across all 2 communities.
- 2. **School Repair:** In 2023 our February monthly report we informed about pre-school broken structure. Now we are planning to renovate the Jogahati Pre-School, which requires major repairs after many years of use. The classroom floor needs extensive restoration, all side of the wall is damaged and must be rebuilt, and the entry gate is broken and needs repair.

Additionally, we plan to repaint the gate and grills to improve their appearance and extend their lifespan.
