We are pleased to update you on our activities in **December 2025**. The following is a summary of our major accomplishments during this period, as well as our plans for the coming month.

a. THE NEW INITIATIVES/ACTIVITES

- Medical Camp:** It was a full-circle moment as Dr. Alryma (BS023), a former sponsored student and now a qualified MBBS doctor, returned to lead our recent medical camps across three villages. The team provided check-ups to 166 adults and children, diagnosing and treating common issues such as back pain, gynaecological concerns, scabies, and respiratory ailments. We ensured that every patient received the necessary prescribed medications free of charge to aid their recovery. Additionally, one patient identified with a leg fracture was immediately referred to Jashore General Hospital for specialized treatment.

b. THE ROUTINE ACTIVITIES IMPLEMENTED

- Guardians' Meetings:** During this month, we held 3 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
- Community Visits:** During this month, the Community Motivator visited Jogahati village 11 times, Churamankati village 10 times. To follow up with the students from Sorupdaho, we visited once, as our programme activities in these communities had been temporarily paused. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.

3. **Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 120 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.

4. **Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **25 days** of tuition classes were conducted at 2 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	<i>JOGAHATI Tuition Programme</i>	3	44	25
2	<i>CHURAMANKATI Tuition Programme</i>	1	7	18
3	<i>JOGAHATI PRE-SCHOOL Programme</i>	1	3	16
Total:		5	54	59

5. **Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

- **School Attendance by Graph:**

7. **Distribution Programme:** We distributed materials in Jogahati and Churamankati on 22th & 23rd of December. All students received the materials. Below are the details:

- a) **Nutrition Materials:** To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 13 days and served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 18 kids.
- b) **Care Materials:** Since December is dominated by exams followed by a school break, we paused our usual distribution of pens and notebooks. Instead, we provided Vaseline winter cream to 92 students to help with essential skin care during the cold weather.
- c) **Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 74 pieces of laundry soap. These hygiene products were given to a total of 74 students, including both sponsored students and those attending our preschool program.
- d) **Medicine Supplies:** According to the doctor's prescription, we distributed medicine to 166 villagers of the Jogahati, Churamankati, and Sorupdaho.
- e) **Tuition Support Distribution:** We provide tuition support to remote students beyond our three communities, outside of our community-based program. Two students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- f) **Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- g) **Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Shoma Rani Pal actively participated in the events.

c. **ACTIVITIES PLANNED FOR January 2026**

In addition to the project's regular activities, the following initiatives are planned for the upcoming month:

- 1. **Materials Distribution:** We plan to hold the next distribution program between the 15th and 20th of January across all 2 communities.
