Executive Summary

In April 2026, the BS Education Project continued supporting 118 sponsored and non-sponsored students across two villages. During this month, the national election took place in Bangladesh. Despite this, we successfully conducted pre-school and tuition classes for 21 days.

Throughout the month, our core activities remained focused on ensuring regular school attendance, providing after-school tuition support, distributing educational materials, and offering essential nutrition to preschool students.

a. THE NEW INITIATIVES/ACTIVITIES

1. **Community Participation in Cultural and Religious Harmony:** During the month, Nam Joggo ceremony held in Jogahati village—a significant cultural and religious event for the local Hindu community. The Nam Joggo is a traditional religious observance centered around devotional singing (kirtan), prayers, and communal meals. This spiritual gathering fosters not only religious devotion but also strengthens communal ties and intergenerational bonding.

Held over the course of three days, the ceremony draws more than a thousand participants from within the village and surrounding areas, including relatives and friends of the villagers who travel from afar to join in the festivities. The entire village actively participates in organizing the event, contributing either in cash or in-kind donations such as rice to cover the costs associated with food, arrangements, and ceremonial needs.

b. THE ROUTINE ACTIVITIES IMPLEMENTED

1. **Guardians' Meetings:** During this month, we held 2 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and

students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.

2. **Community Visits:** During this month, the Community Motivator visited Jogahati village 14 times and Churamankati village 12 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
3. **Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 118 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
4. **Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **21 days** of tuition classes were conducted at 2 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	JOGAHATI Tuition Programme	3	44	28
2	CHURAMANKATI Tuition Programme	1	7	18
3	JOGAHATI PRE-SCHOOL Programme	1	3	17
Total:		5	54	63

** 1 individual adopted students receive private tuition support.*

5. **Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.
