Executive Summary

In July 2026, the BS Education Project continued supporting 118 sponsored and non-sponsored students across two villages. We successfully conducted pre-school and tuition classes for 26 days.

Throughout the month, our core activities remained focused on ensuring regular school attendance, providing after-school tuition support, distributing educational materials, and offering essential nutrition to preschool students.

a. THE NEW INITIATIVES/ACTIVITIES

1. **Repairing of the Solar Panel Pillar:** Recently, one of the pillars supporting our solar panels was damaged and broken. As the solar system is essential for operating the community water pump, we took immediate action to repair and replace the damaged pillar. With the valuable help and support of local village boys, the broken pillar was successfully replaced, and the solar panels were securely reinstalled. Their voluntary support and cooperation made it possible to complete the work quickly and restore the system without a long interruption.

The solar-powered system plays an important role in supporting the community by providing energy for the water pump, which supplies drinking water. Maintaining the solar installation is therefore essential to ensure a continuous and reliable water supply for the people in the community.

We are grateful to the village boys for their assistance and community spirit in helping us restore this important facility.

b. THE ROUTINE ACTIVITIES IMPLEMENTED

- Guardians' Meetings:** During this month, we held 2 guardian meetings in Jogahati, and Churamankati villages. In these meetings, we discussed the role of parents at home and students' attentiveness to their studies at school and home. Guardians participated actively in the meetings.
- Community Visits:** During this month, the Community Motivator visited Jogahati village 14 times and Churamankati village 11 times. The visits were to follow up on community progress activities, student study at home, and to supervise the tuition programmes.
- Door-to-door Visits:** To follow up on student study at home, Tuition Teachers and Community Motivators visited all 118 student households during this month. The door-to-door visits ensured family involvement with the project and student study, progress on domestic cattle care, cleanliness of homes and clothing, proper utilization of distributed materials, and kitchen gardening.
- Tuition Programme:** To improve student attendance and scholastic development, tuition teachers provide after-school study support to students every working day. Through this program, we ensure the students' study progress. During this month, a total of **26 days** of tuition classes were conducted at 2 study centers. The monthly data is as follows:

SL	Location / Community	Number of Teachers	Number of Sponsored Students	Number of Non-Sponsored Students
1	JOGAHATI Tuition Programme	3	44	28
2	CHURAMANKATI Tuition Programme	1	7	18
3	JOGAHATI PRE-SCHOOL Programme	1	3	17
	Total:	5	54	63

** 1 individual adopted students receive private tuition support.*

- Nutrition Programme:** Each day, we provide food at our pre-school, recognizing the nutritional needs of students from very poor families who may suffer from malnutrition. This meal program plays a vital role in ensuring essential nutrition for these children at an early age. Consequently, we observe improved attentiveness and regular attendance among the children in classes, while parents demonstrate heightened awareness and interest in enrolling their children in pre-school. Below, we have included a list of individual students to monitor their progress in weight and height.

• **School Attendance by Graph:**

7. Distribution Programme: We distributed materials in Jogahati and Churamankati on 21 & 22 of July. All students received the materials. Below are the details:

a) Nutrition Materials: To support the severely impoverished children of Jogahati and boost both class attendance and attentiveness, we provided biscuits for 14 days and

served warm khichuri (hotchpotch) for 12 days this month, ensuring daily distribution to 20 kids.

- b) Education Materials:** To start the new class we distributed 164pcs Copy Book, 70pcs Pen to 78 sponsored and non-sponsored students. 4 box chalk for the Preschool and Tuition classes.
- c) Hygiene Materials:** To promote cleanliness and improve personal hygiene among our students, we have distributed 70 pieces of body soap. These hygiene products were given to a total of 78 students, including both sponsored students and those attending our preschool program. To improve oral hygiene also distributed 20pcs tooth paste and 20pcs tooth brush distributed at preschool students.
- d) Tuition Support Distribution:** We provide tuition support to remote students beyond our two communities, outside of our community-based program. One students receive varying monthly financial aid, covering tuition costs or individual needs, facilitating their academic pursuits.
- e) Awareness & Motivation:** Before each distribution or visit, BS officials monitor students' academic progress, ensure cleanliness, and encourage both students and parents about the importance of education.
- f) Team:** The BS team was actively involved in materials procurement. During the distribution ceremonies, BS Accountant Mr. Isharat Hossain and Community Motivator Mr. Shoriful Islam attended and distributed the materials. Tuition teachers Ms. Sufia Khatun, Ms. Momena Khatun, Ms. Kakoli Paroi, Ms. Nirjona Khatun, Ms. Shoma Rani Pal actively participated in the events.

c. ACTIVITIES PLANNED FOR August 2026

In addition to the project's regular activities, the following initiatives are planned for the upcoming month:

- 1. Materials Distribution:** We plan to hold the next distribution program between the 25th and 28th of August across all 2 communities.
